1. On 12 December 1953, soldiers with tank, motor transport and artillery insignia were seen at the barracks installation in Kagran (P 49/X 49). The installation was guarded by a sentry with red-bordered black epaulets. Trucks [redacted] driven by a soldier with red-bordered black epaulets with artillery insignia, and [redacted] with a driver wearing red-bordered black epaulets were observed at the installation. Fifteen tank trucks, [redacted] were parked in an open shed at the fuel dump. Vehicles seen in the billeting area, except for the AAA section, included 13 trucks and 3 tanks. Three other armored full-track vehicles with a gun with funnel-shaped muzzle brake were standing in the open shed in the ditch between the installation and the athletic field. Only officers wearing red-bordered black epaulets, some with tank insignia, were seen at the building at the intersection of Wagramer Strasse and Steigentesch Strasse. 1 25X1
